

EzWork Sprint 1 Report

EzWork Team (Team.cry())

2/2/2017

Actions to Stop Doing

1. The team should stop arriving late to scrum meetings.

Actions to Start Doing

1. The team should start communicating more on what each person is doing so that each team member has a better understanding on each other's work and issues.
2. The team should start following an agreed upon coding style so that the code remains consistent throughout each team member's code.

Actions to Keep Doing

1. The team should keep taking advantage of online resources to help get an idea of how to implement the features the team wants.
2. The team should keep having scrum meetings consistently and any other extra meetings to get work done.

Work Completed

1. As a developer, I want to familiarize myself with the technologies needed to create my product.
2. As a user, I want to be able to visit a homepage for EzWork.
3. As a user, I want to be able to see a sample job posting page for EzWork.
4. As a user, I want to be able to create an account, which can either be an employer or a finder.
