EzWork Sprint 2 Report

EzWork Team (Team.cry())

2/18/2018

Actions to Stop Doing

1. The team should stop missing meetings.
2. The team should have more consistent scrum meetings.

Actions to Start Doing

1. The team should start meeting more often to inform other members what progress they have made.
2. The team should start having meetings to get work done.

Actions to Keep Doing

1. The team should keep using online resources to get an inspiration of how to implement our product features.
2. The team should keep working on their own time to get their respective tasks done.

Work Completed

1. As a finder, I would like to be able to customize an account-bound profile with personal information.
2. As an employer, I would like to be able to customize an account-bound profile with location and contact information.
3. As an employer, I would like to be able to post job openings after inputting the specification of the job.
4. As a user, I would like to see an unsorted list of job postings on the home page.
5. As a user, I would like to have clicking on a job posting to bring up a pop-up with specific details.

Work Not Completed

1. As a user, I would like to navigate through the front end efficiently.
