Sprint Report 3

EzWork by Team.cry()

2/20/2018-3/2/2018

Actions to Stop Doing:

- Making more git branches
- Propagating bad/outdated universal code (header, sidebar, etc)
- Missing Scrum meetings
- Abandoning Sprint reports/plans/documentation in general

Actions to Start Doing

- Be more clear about specifications of each task
- Push to git more often
- Letting members know when midterms/tests are coming up for them
- More serious/focused Scrum Process

Actions to Keep Doing

- Keep having coding sessions at Jack Baskin Lounge or the computer labs
- Bring food to coding sessions (bribe teammates)
- Voice Chat Scrum when physical meetup difficult
- Working together on 183 homework to improve teamwork
- Improving UI/Visuals
- Keep looking for bugs

Work Not Completed:

- Employer page for Posted Jobs
- Home Page jobs sorting/tags
- Add photos to profile and database
- Add more content to profiles
- Job filter

Work Completed:

- List of jobs on homepage completed with all information
- Editable profiles saved to database

- Order jobs on homepage by distance

- Allow finders to apply to jobs

- Add Photos to Posted Jobs

Ideal Work Hours: 45 Hours, Days in Sprint: 11

Ideal work hours per day: 4.1

Final Scrum Board:
