Sprint 4 Report

EzWork by Team.cry()
3/05/2018 - 3/16/2018

Actions to Stop Doing:
- Stop making more git branches
- Missing Scrum meetings
- Leaving Scrum documents until the last minute

Actions to Start Doing:
- Be more clear about each tasks
- Push to git more often
- Merge all branches into a single functional master branch

Actions to Keep Doing:
- Keep having coding sessions in person together
- Communicating over discord when we can't meet in person
- Improving overall quality of the code
- Keep testing for bugs

Work Completed:
- As a finder, I would like to be able to customize an account-bound profile with personal information
- As an employer, I would like to be able to respond to applications
- As a user, I would like to be able to sort the job post by various tags/keywords
- As a finder, I would like to be able to view the status of my job applications
- As a user, I want every page to be aesthetically pleasing and have a consistent layout/color scheme

Work Not Completed:

- None of the user stories were not implemented.

**Work Completion Rate**

User Stories Completed: 5 user stories
Ideal Work Hours Completed: 42 hours
Days in the Sprint: 11 days
User Stories per Day: 0.45 user stories per day
Ideal Work Hours per Day: 3.81 hours per day
Final Scrum Board:
